Big Kitty

Sorry, due to last minute unforeseen circumstances we have had to postpone this show

July 14th Big Kitty

With an ensemble of some of the finest musicians in Queensland, roots planted in jazz and blues, and the occasional tongue planted firmly in cheek, this audacious 6-piece (sometimes 7, 8, 9 or 10) live act features the incomparable Big Kitty on searing vocals. "Machine Gun" Matt Eves on double bass and Coojee Timms on sticks and skins together provide the stomping rhythm, Rupert Jenner on a cavalcade of Gretsch fillies adds a little twang and a whole heap of western swing, and a three-piece horn section featuring Brisbane jazz favourite Mal Wood on trumpet and Neil Wickham on fat tenor sax, both bringing the red hot brass. Regular guests include the Jazz Music Institute's Dan Quigley on trumpet, Young Griffin Youngs and Ash Lewis on honkin' trombone, Jesse Green on sax and many other local friends...

Three- and four-part harmonies round out the glorious sound, which draws influences from jazz, soul and blues greats of the 1940s, 1950s and early 1960s. The odd bluegrass, country blues, rock'n'roll and rockabilly tune liven up the mix, and this band's ability to fluidly interpret styles has helped to cement Big Kitty and the lads and Gal as genuine genre-busters who never

Since its inception, the Big Kitty band has enjoyed long and loyally followed residencies at the legendary Satchmo's in West End (now in jazz and blues heaven) and Jazz on Sunday at the iconic Story Bridge Hotel. A debut album ("Hola!") launched independently in 2007, a string of live recordings, and a strong local social media presence have consistently drawn new fans at gigs and online, with a

Jazz 4 You

Norfolk Island jazzes It Up! There's something very special about the 'Norfolk Island Jazzes It Up!' jazz festival, with a fabulous range of top class jazz on offer combined with incredible performance locations, the overall experience is an absolute winner. Where else do you have the opportunity to sit beside crystal clear and coral filled turquoise waters as a delicious lunch and an afternoon of excellent jazz is served up? Or on a cliff-top under sprawling Banyan trees as the sun sets over a World Heritage site and a magical musical night begins.

As the week unfolds jazz is heard all over this beautiful Island from local clubs, restaurants, cafes, hotels to spectacular unique Norfolk outdoor venues. A genuinely easy going and friendly atmosphere ensues where performers and audience members socialise and mingle together.

Norfolk Island

There are so many reasons to consider a holiday to Norfolk Island situated a short two hour flight from Sydney or Brisbane and mid-way between Australia and New Zealand.

The beauty of the Island is infamous with its tall majestic pines, high rising cliffs, green undulating valleys, lush

rainforest and brilliant turquoise waters over coral reefs. So many arriving visitors are simply astounded by the beauty they find providing countless photographic opportunities. The island has long been a source of inspiration to painters and artists.

Our little island is packed full of things to see and do. World Heritage listed Kingston will take you into the history of turbulent convict years and today's vibrant Norf'k culture (born out of the infamous mutiny on the Bounty) all of which can be explored via tours, displays and even a chat with a friendly local. Encounter our pristine environment via swimming, reef snorkelling and rainforest walks. Our cafes and restaurants offer delicious, fresh, organic meals and local art, crafts, toys, shoes and tax-free items are also amongst shopping highlights.

Many of our visitors experience a feeling of 'coming home' perhaps to a way of life they knew from years ago with a relaxed pace, a sense of quiet, genuine friendliness, attention to life customs and community. On Norfolk there exists a safe place to gently 'reconnect' with yourself, loved ones or friends. At the same time this intriguing island has so much on offer that if you choose, you'll be very well entertained -and busy!

Tours and activities on offer include 4WD tours, Glass-Bottom Boats, eco-tours, progressive dinners to island

homes, museums and heritage tours, sunset fish fries, bowls, golf, art trails and cottage industries. Norfolk's fishing is renowned for every trip coming home with a great catch, such as Kingfish, Silver Trevally, Amberjack and Sweetlip (Red Throat Emperor).

There is as much or as little as you'd like to do on Norfolk Island. Whether you are deciding to travel for a special event or another time of year, this South Pacific gem is guaranteed to safely return you home very much satisfied.
